

GET TO KNOW

Jeanne Oliver

Owner, Snap Fitness Gym
in Lago Vista

Among its many other attributes, Austin is continuously recognized as one of the healthiest cities in the U.S. Not only are Central Texans able to enjoy favorable weather to enjoy outdoor activities year round, but the region is also home to a number of exceptional gyms that ensure people have an avenue to maintain their fitness indoors as well. This is especially true of Lago Vista's own Snap Fitness, owned by Jeanne Oliver. In this edition of Lakeside at Tessera on Lake Travis newsletter, we profile Jeanne to learn more about her gym and what sets it apart from the rest.

- 1. Are you a resident of the North Shore, and if so, do you live in Lago Vista?** My husband and business partner, Paul Cappabianca, and I are considered "weekenders." We live in Round Rock, but we purchased, what we hope to be, our retirement home in Lago Vista.
- 2. How long have you lived in Lago Vista?** We have been here since the fall of 2002.
- 3. How long have you owned/operated Snap Fitness?** My husband and I opened the Lago Vista location of Snap Fitness in February 2009.
- 4. What was your inspiration to go into the business of owning a fitness facility?** After working 25 years in the high tech industry for both government and top 50 firms, I was given the opportunity to start my second career. We believe the North Shore is the best kept secret in the Hill Country and are excited to be able to provide a high quality, 24-hour fitness facility.
- 5. What sets Snap Fitness a part from other fitness facilities?** Our mission is to change lives with our result-driven culture both inside and outside our gym walls. Our goal is to encourage, motivate, and drive our members to success. We are here to show support and ensure every member reaches his or her potential.
- 6. What would you say makes for a healthy lifestyle?** We get it, people have different fitness goals. Some want to tone up, some simply want to feel good. Our belief is that healthy lifestyles shouldn't be optional, but achievable for everyone. That's the environment we provide in our Snap Fitness club. It starts with feeling good and getting results with us.
